Join Koop Architecture, where you'll experience various projects in architecture, landscape, interior design, urban planning, museum/exhibition design, and restoration. As an intern, you'll collaborate with senior architects and designers, contributing to project development, conducting research, and assisting in design creation. This role requires pursuing or having a degree in architecture or related fields, proficiency in design software, strong communication skills, and a passion for multidisciplinary design innovation.

ADDITIONAL INFORMATION

Lodging, accommodation, reception, visa and etc will be arranged by related Local Committee (LC) of our member universities and lodging address will be determined after being accepted, so please consult the related LC for your questions related to the issues above-mentioned for the offer, ONLY AFTER you have received your acceptance from your IAESTE office.

Deadline for Nomination - 15-Mar-2025
