Working Hours / Week: 45.0

We are seeking an enthusiastic intern to join our project team, where they will collaborate alongside full-time employees as an equal member of the team. The intern will contribute to both 3D digital models and physical models, depending on their skill set. Proficiency in Rhino and AutoCAD is essential, along with strong graphic design skills. A passion for creating detailed physical models is a must.

### ADDITIONAL INFORMATION

Lodging, accommodation, reception, visa and etc will be arranged by related Local Committee (LC) of our member universities and lodging address will be determined after being accepted, so please consult the related LC for your questions related to the issues above-mentioned for the offer, ONLY AFTER you have received your acceptance from your IAESTE office.

Deadline for Nomination - 15-Mar-2025
